

The magnificent assemblage which will celebrate in Berlin next Tuesday the Kaiser's nineteenth birthday, will probably be such as modern Europe has never witnessed. A New York Herald cable dispatch says that there will be over a hundred royal and princely guests, representing every European dynasty, and including at least a dozen crowned heads and heirs to an even greater number of thrones. Originally it was the plan for the Emperor of Austria and the Czar of Russia to be present, but the existing state of European affairs renders it impossible that Francis Joseph, as King of Hungary, could probably fraternize with the autocrat of all the Russias, and so the former sends his son and heir, Rudolf, and the Czar will be represented by his brother, the Grand Duke Vladimir, and his uncle, the Grand Duke Michael. England, Belgium and Sweden, Denmark and Italy sent their Crown Princes. Rumania and all the German States will be represented by their sovereigns in person. There will be imposing delegations from other countries of generals, statesmen and princes of the blood. The spectacle will be one of the most singular in the history of the century, and one naturally feels that it will be a proper occasion for a dramatic sensation, like the retirement from the throne of Charlemagne, and fully as startling and suggestive as the abdication of Charles V.

Dr. Joseph Parker, of London, seems to be the choice of a major portion of the congregation of Plymouth Church as successor to Mr. Beecher. Dr. Parker was a great friend and admirer of Beecher, and for years there was the strongest bond of sympathy between them, for the two preachers in many ways resembled each other. Four years ago he preached from the Plymouth pulpit, and his characteristic sermons were delivered in a forcible style, and with such brilliant oratory that he won many admirers. The only objection to Dr. Parker is that he is an Englishman, while a strong spirit of Americanism prevails in Plymouth Church. It is emphatically denied that Rev. W. C. Julian, of New Bedford, has been asked to the pulpit.

Prominent eastern newspapers assert that the resignation of Secretary Endicott has been tendered to the President and will be accepted. Endicott's aristocratic manners and his rude indifference are said to have caused the strained relations between him and Cleveland.

From recent cable dispatches it looks as though nothing can save the unfortunate province of Bulgaria from the might of Russia. Her only hope lies in outside interference, and none of the other nations appear to have anything to say.

**ANNUAL MEETING OF THE STATE ASSOCIATION.**

**Business Transacted at the Session Held Last Evening—List of Officers Elected for the Ensuing Year—Interesting Speeches by Outside Stockmen.**

After a recess of four hours, the cattlemen's meeting was called to order by President Crutcher at half past 7 o'clock last evening.

R. W. Lewis submitted, in a neat letter to the Association, his resignation as Secretary, which was accepted. F. D. Sweetzer was by President Crutcher appointed Secretary pro tem.

The election of officers for the Association for the ensuing year being next in order, N. H. A. Mason, in a complimentary speech, nominated E. W. Crutcher for President. The nomination was seconded by Geo. Russell and C. H. E. Hardin in neat speeches. Mr. Crutcher said he regretted that his business was such as to necessitate his declining the honor, but he felt compelled to ask that the Association name some other member for the office.

T. B. Rickey nominated George Russell, and the nomination was seconded by Col. J. A. Hardin.

On motion of C. H. E. Hardin, the nominations closed, and Mr. Russell was declared unanimously elected.

Mr. Russell was called on for a speech, when he arose and expressed himself as feeling honored and proud. The office was a responsible one, and it would ever be his aim to fill it creditably and to the best interests of the Association.

For Vice-President, Colonel Hardin nominated Fred Stauffer, of Winnemucca.

C. H. E. Hardin moved that the nominations close, and that Mr. Stauffer be declared elected. Carried.

N. H. A. Mason nominated Geo. Nixon, of Winnemucca, for Secretary.

W. D. Jones moved that the same course be pursued with Mr. Nixon as with Messrs. Russell and Stauffer. Carried.

For Treasurer, R. W. Lewis nominated the present incumbent, Colonel Hardin, and T. B. Rickey, in a flattering speech, seconded the nomination. The Colonel arose and said he regarded it as undemocratic to hold one office for three consecutive terms, and therefore declined the nomination. He hoped none of the members misunderstood him in declining to serve longer. He had the best interests of the Association at heart, and would labor in the future as in the past to perpetuate and increase its usefulness. He desired that other members be given an opportunity to serve the Association in an official capacity.

A. D. Wilcox nominated F. D. Sweetzer, who, having no opposition, was declared unanimously elected.

On motion, the President appointed T. B. Rickey, J. A. Hardin and N. H. A. Mason as a committee to select an Executive Committee for the Association for the ensuing year.

A recess of ten minutes was granted in order to allow the committee time to report.

Upon reassembling, the chairman of the committee named the following members to serve as an Executive Committee: George Watt, of Lander and Nye counties; T. D. Page, Eureka; A. C. Cleland, White Pine and Lincoln; E. C. Hardy, J. R. Bradley, Joseph Scott, Elko; J. V. McCurdy, O. North, J. Hearn, E. W. Crutcher, R. W. Lewis, Humboldt; Louis Dean, Allen Bragg, Washoe; T. B. Rickey, Douglas and Ormsby; W. S. Bailey, Churchill; C. H. E. Hardin, Esmeralda and Lyon; J. B. Yaret, Elko; Isaac Foster, Grant county, Oregon; N. H. A. Mason, Malheur county, Oregon.

On motion, the report was received and the committee discharged.

T. B. Rickey moved that the gentlemen whose names had been read be declared unanimously elected to serve as the Executive Committee for the ensuing year. Carried.

Allen C. Bragg presented an application to become a member of the Association, and on motion of C. H. E. Hardin the by-laws were suspended, and the applicant declared elected.

The following resolutions were adopted and ordered entered upon the minutes of the Association:

WHEREAS, It has pleased God to remove from our midst A. A. Longley, thereby depriving our Association of one of its most zealous members; therefore, be it

Resolved, That we extend to the bereaved family our warmest sympathy and condolence; and be it further

Resolved, That the foregoing be spread upon the minutes of the meeting, and an engrossed copy transmitted to his wife.

On motion of Colonel Hardin, Winnemucca was designated as the place for holding the next annual meeting of the Association, and the third Tuesday in March, 1888, as the date.

A. S. Mercer, editor of the Cheyenne Northwestern Live Stock Journal, was called upon for a speech. He responded by giving an intelligent outline of the present situation in live stock matters throughout the West. The reports circulated of the losses of cattle in Montana and Idaho by the severity of the

weather this winter, he said, were exaggerated. He assigned several reasons, caused by national legislation, for the present low price of beef, and predicted a marked appreciation in prices during the coming year.

W. C. B. Allen, of Shoshone, Idaho, and Secretary of the Live Stock Association of that Territory, was also called upon for a speech. He responded in an able manner, and referred to the strong influence wielded by the Nevada Association in prominent stock circles of the West.

Adjourned.
